NOW COMES the Claims Administrator and moves the Court to extend the claim period to and until October 22, 2010. The reason for this request is that it has come to light that approximately 100 subclass A members have not had the notice of the settlement sent to them. The extension of time would allow these individuals and other class members the opportunity to submit a claim and benefit from the settlement in this case.

Respectfully submitted this 2 day of September, 2010.

Frederick L. Berry
Claims Administrator
