09 CvS 2608

This cause coming on before the undersigned on June 28, 2010 upon the Report of Claims Administrator and Petition for Fees and Expenses. It appears that the fees and expenses itemized on the petition are reasonable and were necessary to locate, mail notices to and communicate with the class members. It also appears that the plan of the claims administrator for communicating with the class members, soliciting claim forms and engaging the services of Costello-Hill & Company to

collect the payments from Subclass B members is fair, reasonable and necessary for the proper administration of this class.

THEREFORE it is HEREBY ORDERED that the Report of Claims Administrator and Petition for Fees and Expenses is hereby approved, and the Administrator is authorized to pay those items requested and to proceed as proposed.

This the 28 day of June, 2010.

The Honorable Edwin G. Wilson, Jr.
